PROFESSIONAL SUMMARY

Senior RCM Process Associate with over 3 years of extensive expertise in US Healthcare Revenue Cycle Management (RCM), currently expanding competencies into Full-Stack Web Development. Certified Meta Front-End Engineer combining domain proficiency in clinical workflow automation, prior authorizations, and claims processing with modern JavaScript technologies, React, and UI/UX design.

TECHNICAL SKILLS

Languages: JavaScript (ES6+), TypeScript, Python, HTML5, CSS3

Frameworks: React.js, Vue.js, Tailwind CSS

Tools & Platforms: Git, GitHub, Vercel, VS Code

Domain Expertise: US Healthcare RCM, Medical Billing, A/R Management

PROFESSIONAL EXPERIENCE

Senior Process Associate
May 2026 – Present

RCM Workshop

- Secure timely insurance approvals and prior authorizations for complex cardiology procedures to prevent revenue leakage.
- Coordinate closely with medical providers and payer networks to resolve insurance adjudication roadblocks.

Accounts Receivable Analyst
January 2026 – April 2026

Value RCM Solutions Pvt. Ltd.

- Managed end-to-end Accounts Receivable cycles, medical claims tracking, and payment posting verification.
- Investigated claim denials and appealed un-adjudicated claims to accelerate cash flow for healthcare accounts.

Reauthorization Specialist
January 2023 – December 2025

Sunknowledge Services Inc.

- Handled high-volume operational workflows and prior authorizations across major US insurance payers.
- Maintained rigorous compliance standards while auditing clinical documentation prior to claim submission.

KEY PROJECTS

Prior Auth Engine
React.js & Python

Developed an automated verification platform designed to streamline medical data parsing and eliminate manual data entry errors in hospital workflows.

Remit-X-Matrix Engine
Vue.js & TypeScript

Built a client-side EDI 835 Remittance Advice sandbox decoder to parse complex insurance remittance data into structured ledgers.

CERTIFICATIONS & EDUCATION

Meta Full-Stack Developer: Front-End & Back-End from Scratch
Coursera / Meta

Covering Advanced React, React Basics, HTML/CSS in depth, Version Control, JavaScript Programming, and Front-End Foundations.

Diploma in Mechanical Engineering
Vidya Memorial Institute of Technology, Ranchi
